

# CAPELLA HOUSE NEWSLETTER

## WELCOME BACK

Dear Parents and Carers,

We have had a fantastic start to the term across both sites with all of our pupils settling really well. Seeing how our new pupils got over their initial nerves and approached everything with a smile and enthusiasm has been great.

As I am sure you are aware, Lynn is still off work and while we have tried to cover with an agency admin or in-house, it has proved a challenge, please rest assured that both myself and the Trust are working hard to ensure that any disruptions are minimised and a long term solution is put into place as soon as possible.

I look forward to catching up with you all over the coming weeks .

Kind Regards

Dominic

## INTRODUCING...

### PHILIP JOHN

Dear Parents and Carers,

I'm Philip - the new assistant head at Secondary.

I've had a great first 2 weeks here, settling in and getting to know all of the pupils.

I am very thrilled to join Capella House School, and am looking forward to building strong relationships with you all over the next few years during your child's time here. You can be assured that I will work tirelessly to ensure that our students- your children-, grow and learn in a nurturing environment that allows each of them to reach their full potential.

Our new enrichment schedule is in full swing at Capella Secondary. Students now attend the same enrichment every day to facilitate long term projects like the amazing sewing crafts below.
