

School Council Meeting - 11th June 2024

Attendees		Apologies
Isaac ward (Venus)	Will Hickman (Mars)	James Simspson (Jupiter)
Harry Brown (Mercury)	Alissa (Neptune)	
Maxwell (Saturn)		

Agenda:

- 1. Welcome** - PJ welcomed all school counsellors. School councillors introduced themselves and the class they were representing. PJ highlighted that this was the last time the current school council would meet together, as next academic year there will be new elections. PJ thanked school counsellors for their hard work throughout the year.
- 2. School council structure next academic year** - PJ shared the motion that next academic year the school council body should include members from the primary school. School council members unanimously voted and agreed with this motion. Conversations will happen with the primary staff for how this works.
- 3. Tidying up classrooms** - PJ shared that it had been commented that some classes were not tidying up after themselves when in a classroom. PJ shared the importance of respecting the learning environment, and how a tidy learning environment will help us learn. School counsellors agreed and said they would remind their form groups. IW suggested each class has a dustpan and brush available to use.
- 4. Enrichment update** - PJ asked whether school counsellors were happy with the enrichment offering this term. School counsellors unanimously agreed. They commented especially on that there was a good amount of choice to suit all pupils' interests.
- 5. Exam month update** - PJ shared that Y11 exams were now over - PJ asked school counsellors to thank their form groups for how well everyone coped with all of the changes. Y11 school counsellors shared that they were happier the exams took place in the classrooms rather than the hall.
- 6. AOB** - Isaac said we need new playground equipment in preparation for next year. Alissa asked again regarding a lost property. PJ said he will action this.
- 7. Actions** - School counsellors to share minutes with form group.
- 8. Next meeting** will be in the September 2024 with a new school council body
